

Neoo Remote for Control4

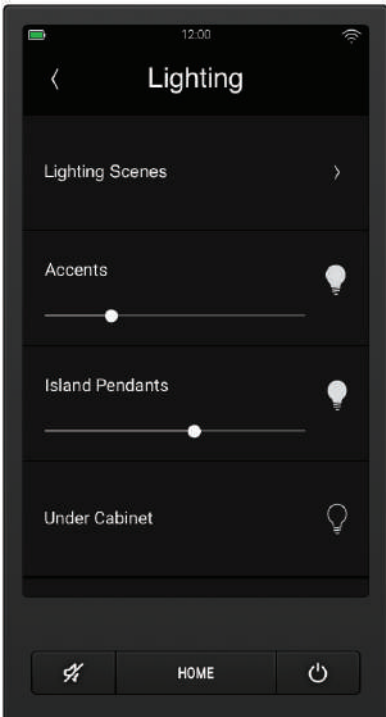

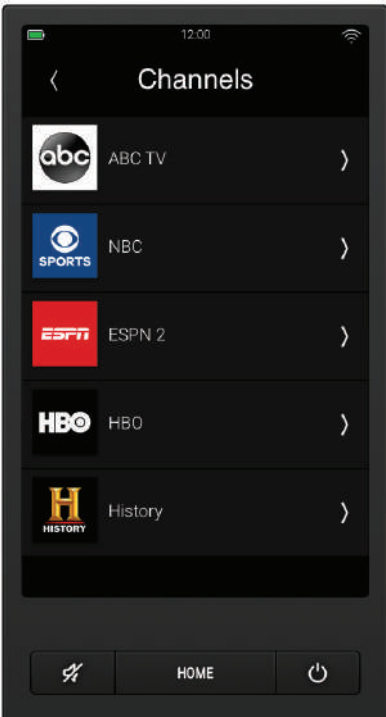

Neoo Remote for Control4

The Neoo Remote for Control4 puts the power of Control4 Smart Home OS 3 in the palm of your hand. Engineered by our team of Swiss designers, the remote's machined aluminum chassis and intuitive interface are expertly crafted to bring a highly refined experience to your media room. The Neoo Remote controls television, movies, music, lights, thermostats, and virtually anything else in a Control4 Smart Home. Its 81 mm (3.2-inch), high-resolution touchscreen and software-driven graphical interface reduce the number of buttons and make personalized features of Smart Home OS 3—like favorites—available now from a handheld remote. It includes physical buttons for the essentials, so it's easy to mute the movie or adjust the volume without looking down. The Neoo Remote is more than a television remote—it is a smart home interaction device that is always available and easy for anyone to use.

- Handheld remote that leverages the power of Control4 Smart Home OS 3 to access the things you use most
- Built from machined aluminum, the remote is beautiful and fits comfortably in your hand; available in silver, black, and—for a limited time—red finishes
- Big, bright 3.2" high-resolution touchscreen is customizable using favorites and the Control4 mobile app
- Includes only the most important buttons, so it's easy for everyone to learn and use
- Wi-Fi connected for a graphical experience that you can use throughout the home
- Works with Control4 OS 3 release 3.1+

Neoo Remote for Control4
